

Join our 5PRING Mentorship Community

About the 5PRING Mentorship

The **5PRING** mentorship scheme has been created to enable experts like yourself to support entrepreneurs to become trailblazers in their industries and turn 5PRING into a unicorn. These entrepreneurs are working at startups that are pioneers in leveraging 5G across different industry verticals, addressing challenges set by leading corporates and organisations.

This is your chance to engage and work with innovators and tech disruptors from all across the UK and around the world!

About 5PRING

5PRING was **launched a year ago as UK's first commercial 5G application accelerator and is powered** by industry giants **Wayra UK, O2, Deloitte, Digital Catapult** and **West Midlands 5G**. 5PRING is a 5G open-innovation accelerator that connects startups and scaleups with corporates to generate joint 5G powered business opportunities.

What can you get from being a Mentor?

Personal Fulfilment

- Increase your confidence and motivation
- Benefit from a sense of fulfilment and personal growth
- Engage in a volunteering opportunity, valued by employers

Networking Opportunities

- Enhance your CV
- Opportunity to work with the 5PRING consortium partners
- Opportunity to be a part of Wayra UK's mentor's ecosystem

Skill Enhancement

- Improve communication and personal skills
- Develop leadership and management qualities
- Reinforce your own study skills and knowledge of your subjects

How are mentors getting involved?

5PRING Mentors will support and educate startup founders in the 5PRING Accelerator Programmes which include **construction, smart cities, manufacturing, sustainability, healthcare** and **more**.

Once you are confirmed to be a part of the 5PRING mentor network, we will reach out to you with opportunities and enable you to select where and who you think you will be able to provide most value to.

Eligibility

To become a Mentor, you will need to be an experienced founder or be highly skilled in at least one subject area; eg. marketing, finance, legal, pricing, AI, computer vision and **more**. You are required to currently or previously hold a senior management position or have entrepreneurial experience.

The most important thing is: you have the appetency to give back and make a difference in someone else's life!

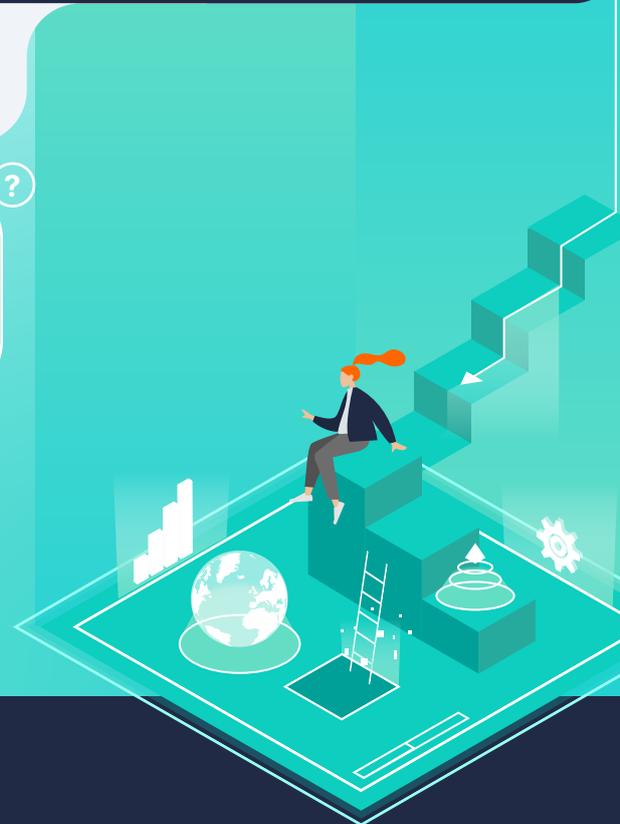

How much time do mentors need to commit?

5PRING mentors can choose the amount of time to commit. To ensure consistency and opportunity to benefit from mentor's guidance, we recommend all mentors to devote at least 2 hours a month and to meet their mentees once every fortnight.
